HIGH PERFORMANCE RUNS DEEP[™]

PERGO HARD

More than 35 years ago, Pergo invented laminate flooring to provide an affordable alternative for customers desiring a wood look for their home. Since then, we've made it our mission to consistently develop innovative, worry-free flooring solutions. We've grown to become the most preferred consumer flooring brand in the U.S. today.

PROTECTIVE LAYER

Superior 22 mil wear layer with an additional urethane coating offers Extreme protection from scuffs, scratches and stains, making the floor 100% kid-proof and pet-proof.

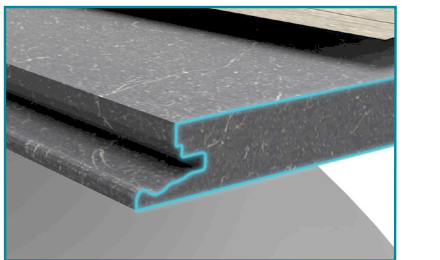

DESIGN LAYER

Stretch your imagination with Extreme high-definition designs, featuring dramatic wood and stone visuals with deep authentic textures for unforgettable floors.

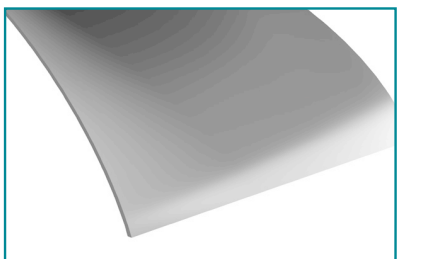

RIGID COMPOSITE CORE

Premium composite core provides Extreme durability and the industry's only dent-proof warranty. Pergo Extreme offers a truly worry-free flooring solution.

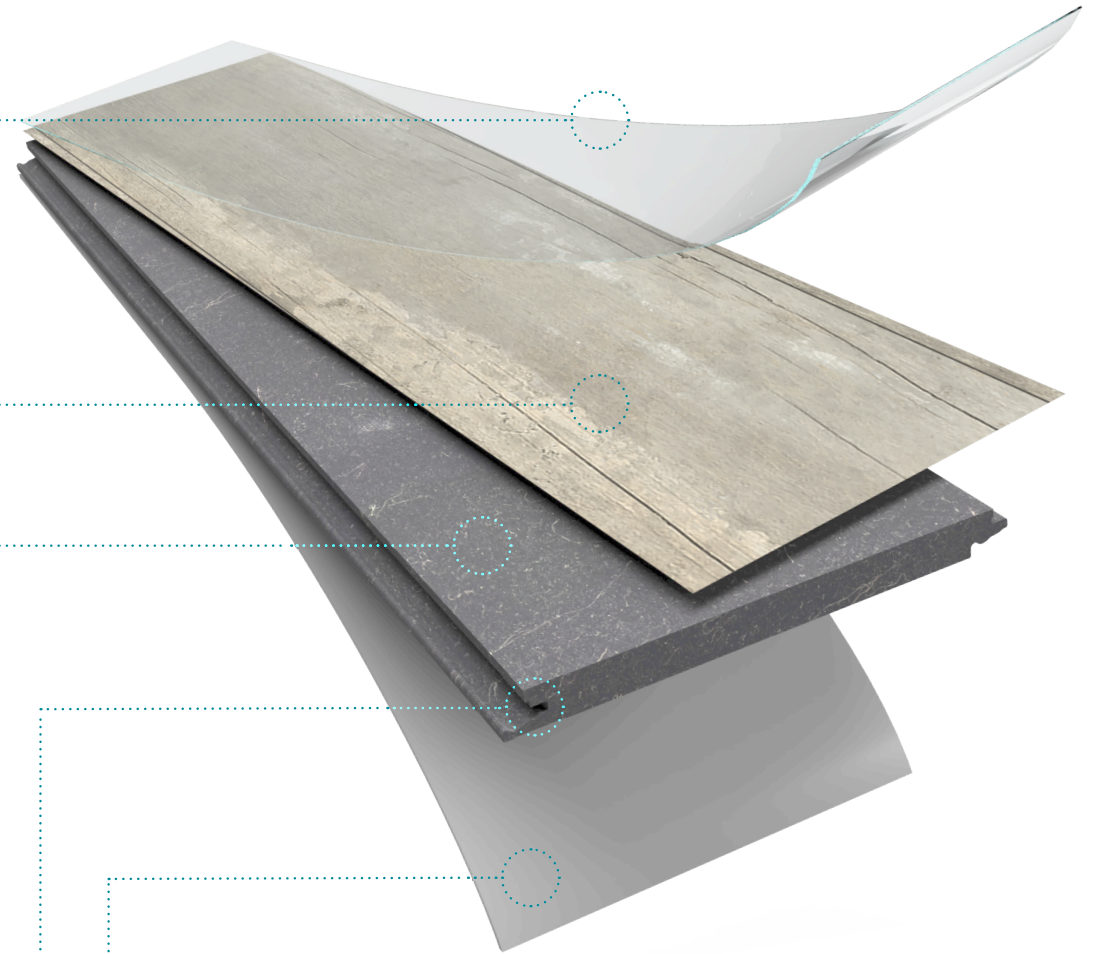

LOCKING SYSTEM

The UNICLIC® system installs with Extreme ease. Once assembled, pretension keeps joints tight for 100% waterproof floors.

ATTACHED PAD

Each plank includes attached cushion, providing Extreme density for enhanced stability and natural sound underfoot.

What is Rigid Luxury Vinyl?

Today's rigid luxury vinyl tile and plank, also referred to as LVT or LVP, features some of the most innovative, versatile and high-performing flooring available. It offers the richness and texture of more expensive natural materials, such as hardwood, ceramic tile and stone, without maxing out your budget.

Rigid luxury vinyl is strong but soft underfoot, maintaining a comfortable temperature in all seasons. It resists heat and sunlight, retaining its shape and stability even at temperature extremes. Vinyl is waterproof, making it perfect for kitchens, bathrooms, basements and high-traffic areas. It's exceptionally easy to clean and more protected against drops and spills—perfect for your family's busy lifestyle.
